

»Everything else is second best!«

”These Classic re-issues are as good as it gets, all right, the incomparable artistry of Roy Orbison combined with breathtaking sound quality.“ *TAS # 141*

The vinyl revival – which, in 2002, finally came to the notice of the national press although it had long been old news for audiophiles – was palpable. Not only were there some stunning new turntables and arms on show, but there was a definite increase in the number of exhibitors using vinyl in demonstrations.

reports HiFi News, nov. 02

Now, these analog treasures can be transferred with the help of new, high resolution sampling technology into the digital realm without any loss of fine detail, documenting the glory of the "LIVE" Sound of these originals.

”When done properly, it brings us closer to the music, and hence, nearer to its emotions, truth and meaning. In a world where it’s harder to find honesty and integrity, music remains the constant, the universal communicator. Knowing no boundaries, it surprises reveals, and delights at every opportunity.“ *TAS # 142*
